PRODUCT LAUNCH

SPRING 2024

who & what is mello?

Well, hello. Welcome to **mello**,
the brand that does cool, breezy,
relaxation with purpose.

We champion maintaining and developing
both mental and physical health through fun,
interesting and well-thought out products.

Whether it's losing yourself in the process of
crafting, re-energising with healing crystals,
or carving out time for yourself to unwind at
the end of a busy day, **mello** is there to support
you being the kindest you can be to yourself.

max relax

You know that feeling of finally putting your feet up after a long day? Well, we captured it and put in a beautifully presented box.

Includes a *stylish mug* for your favourite hot drink, a *scented candle in a coloured glass jar* giving just the right vibe, and a pair of indulgently comfortable *cosy socks* to keep those feet warm whilst they're resting.

deep soak

A thoughtfully put together three-piece kit designed to create a wonderfully relaxing bathing experience.

Includes a *massage scrubber tool* for soothing and cleansing all at once, *scented incense cones in a tin* (the lid doubles up as a tray to burn on) and *two konjac sponges* that are as pretty as they are practical.

peace of mind

Take your mind on a holiday from reality and get lost in a game of *Sudoku*.

Not a numbers person? No worries - we've replaced those with beautiful and calming colours. Also discover a range of other solo games that can be played using the same game pieces with the included *printed game guide*.

you + me

Treasure a lifelong partnership with *Rose Quartz* and *Green Aventurine*, combining to stimulate the heart chakra.

A stone for you and a stone to gift to your soulmate to carry with you as a symbol of your endless connection, whether near or far. Includes *two bags* to keep your stones safe.

paperwork

Embrace mindfulness through learning the traditional Japanese art of *Origami*.

The pack includes delicate coloured paper in a variety of colours, along with *printed instructions* and *video tutorials* to guide you through creating your first pieces, step by step.

bright eyes

Bring tired eyes back to life. No magic tricks, invasive procedures or expensive cosmetics. Simply use the power of *natural soapstone* to relieve puffy, itchy or screen-tired eyes at the end of a long day.

Stones can be chilled for extra relief when it's been one of those days.

solo

Table (sofa?) for one, please. This designer *deck of playing cards* features a premium, uniquely designed artwork as well as a *guide to the best games to be played alone*, in relaxing peace and quiet.

mindful bath

Put pencil to paper and let your thoughts and ideas flow in the steamy comfort of your own bath tub.

Includes a *100% waterproof A5 notebook* (no crinkled pages or slippery-fingered accidents here!) with *scented incense sticks and holder* to get you in the perfect headspace.
